Alright,

I saw this girl and she drove me wild,

She looked at me and I looked and smiled,

The cutest girl you could ever see,

I never dreamed that she'd go out with me,

We met at school so I asked her out,

The only girl I ever thought about,

She's 16 and she's so divine,

I never thought that I could make her mine

Yeah I'm in love I just can't wait,

Cos Tonight

I have a date

(I have a date)

With the cutest girl in town

(I have a date)

And I'm the happiest boy around

Yeh I'm in love I just can't wait,

Cos Tonight

I have a date

Yeah

Went to the movies in my parents car,

I never dreamed that I would get that far,  
I picked her up at a quarter to eight,  
I got there early didn't wanna be late,  
I never dreamed it would come to this,  
I drove her home and she gave me a kiss,  
I'm in love and I'm here to say,  
She said she really wants to see me again,  
I'm in love I just can't wait,

Cos Tonight

I have a date

(I have a date)

With the cutest girl in town

(I have a date)

And I'm the happiest boy around

Yeh I'm in love I just can't wait,

Cos Tonight

I have a date

I have a date

I have a date

Yeah

I have a date

I'm in love I just can't wait,

Cos Tonight

I have a date

I have a date
