It's not enough to say you're mine,  
It still seems so unsatisfying.  
I want to live inside your mind,  
And wear your shoes and walk for miles.  
Show up as you do,  
Do what you do,  
See what ensues,  
Oh, can we try?

And I just had to explain  
That we are one in the same,  
Help me, 'cause I'm becomin' you.

I smell your clothes,  
I smell your sheets,  
And wish that smell had come from me.  
I hate my skin  
That I live in,  
I never win,  
I had to say,  
And I just had to say,

And I just had to explain  
That we are one in the same,  
Help me, 'cause I'm becomin' you,  
Help me, 'cause I'm becomin' you.

Normal love, you know the story,  
It's been done and it gets so boring.  
First you meet, and then you get married,  
Squeeze out some kids, and wait to be buried.

Un!

I know it sounds so crazy,  
I wanna be you, baby.

It's not a gay thing,  
I'm just stating that  
I'm way all into you.  
As this progresses

I'm a mess,  
But it will all be over soon.

And I just had to explain  
That we are one in the same,  
Help me, 'cause I'm becomin' you,  
Help me, 'cause I'm becomin' you,  
Oh, help me, 'cause I'm becomin' you.

I know it sounds so crazy,  
I wanna be you, baby.  
I know it sounds so crazy,  
(He wants to be you, baby!)  
I know it sounds so crazy,  
(He wants to be you, baby!)
