"Satisfy"

You're all the same,
Searching for what makes us happy.
But somewhere along the way,
We lost our place.

And we have come to find,
that we can not replace this love,
that never runs away.
You are the one who died,
so we could call your name.

Chorus
So what are we waiting for?
He is love, He is joy,
He enjoys and never lets go.
He forgives all our wrongs,
He will save, and never let go.

Should we deceive ourselves?
Should we push away
all these problems?
And no, if we are deprived of
How can we stand on our own?

Should we come to find
that we can not replace
Oh, this love that never runs away.
You are the one who died,
so we could call your name.

(chorus)

And only you can satisfy
Only you can satisfy
(x2)

He is love, He is joy.
He enjoys and never lets go.
He forgives all our wrongs,
He will save.

(chorus)
