supercalifragilisticexpialidocious

even though the sound of it
is something quite atrocious
if you say it loud enough
you'll always sound precocious

supercalifragilisticexpialidocious

i was afraid to speak
when i was just a lad
my father gave my nose a tweak
and told me i was bad

and then one day i heard a word
to save my aching nose
it was the biggest word you ever heard
and this is how it goes..

supercalifragilisticexpialidocious

even though the sound of it
is something quite atrocious
if you say it loud enough
you'll always sound precocious

supercalifragilisticexpialidocious

supercalifragilisticexpialidocious

i traveled all around the world
and everywhere i went
i used this word in all i say
i used this very word in all i said in did

i say my special word
and then they ask me out for tea
