I JUST WANNA STOP - 1978
(Ross Vannelli)
GINO VANNELLI

For your love, for your love
When I think about those months in Montreal
I get the sweet stars from you and me
Memories of love above the city lights
Oh trust so hard to take it
But in all my heart won't make it

I just wanna stop and tell you wanna feel about you
babe
I just wanna stop and I never wanna live without you
babe
I just wanna stop for your love

For your love, (for your love) for your love

When I think about the way the words most talk
get the sounds of stars for you and me (you and me)
Memories of life's in times go on and on
Oh I try hard to forget it
but I know my mind won't let it

I just wanna stop and tell you wanna feel about you
babe
I just wanna stop the world ain't bright without you babe
I just wanna stop for your love

Oh I try so hard to forget it but I know my heart won't
make it
I just wanna stop and tell you wanna feel about you
babe
I just wanna stop the world ain't bright without you babe
I just wanna stop for your love

Stop uh uh uh
I just got it stop uh uh uh
