I don't need no body  
To make me happy  
All I need is you

I don't need no money  
To live how I should  
All I need is you

Sorrow sometimes teach a lesson well  
And I know that good can come from bad  
So let's look into that morning star  
'Cause we know just who we are

I don't need no body  
To make me happy  
All I need is you

I don't need no money  
To live how I should  
All I need is you

Man, this road I said it's rocky rough  
So much obstacles and barriers  
Ecclesiastes man him say  
Everything is vanity

I don't need no body  
All I need is you

Sorrow sometimes teach a lesson well  
And I know that good can come from bad  
So let's look into that morning star  
'Cause you know just who you are

I don't need no body  
To make me happy  
All I need is you

I don't need no money  
To live how I should  
All I need is you
