Release date: 30. September 2002

Album: Happy Fool

BOB

(verse)

He hasn't got a single clue he a bit like me and you in
suburbia-stonewashed jeans he dosen't know what he
really means

(brigde)

Every single day when he walks to school every single
day he try to look so cool girls on every corner call him
a fool he's a regular Bob and he's got no clue

(chorus)

Hey come on now hey you gotta burn, don't fade away
come on now hey you could be living from today
(verse)

He's an average teenage dude with average ways of
being rude gettin in on a fake ID oh what a showoff he
wants to be

(bridge)

Every single time when he shoots some pool every
single time he try to act so cool girls on every corner
call him a fool he's a regular Bob and he got no clue

(chorus....outro)

He can do whatever he wants to they'll laugh whenever
they need to he can get no satisfaction
