Everyone is happy tonight
But not because of the world
And I know there'll be no fight
In such a Conscious Party

Everyone is happy tonight
But not because of the world
And I know there'll be no fight
In such a Conscious Party

No booze to lick our head
Now we can't lose in life way
No booze to lick our head
Got to stay a light in darkness
And everyone is happy tonight
But not because of the world
But not because of the world
And I know there'll be no fight
In such a Conscious Party

Spirit of Jah passes through
I can feel him, so can you! Yeah
Makes one want to get up and dance
I said we're jammin' on this love and chant
Everyone is happy tonight
But not because of the world
But it's not because of the world
And I know there'll be no fight
In such a Conscious Party

Everyone, and Jah-a-everyone

I get smiles of Happiness
Jahlification a dances
Brothers loving their sisters...
Sisters loving their brothers

Everyone is happy tonight
But not because of the world
And I know there'll be no fight
In such a Conscious Party

Everyone is happy tonight
But not because of your world
And how could there be any fight
In such a Conscious Party
Everyone is happy tonight
But not because of the world
And how could there be any fight
In such a Conscious Party?

No booze to lick our head
Now we can't lose in life way
No booze to lick our head
Got to stay a light in darkness
And everyone is happy tonight
But not because of the world
It's not because of the world
And I know there'll be no fight
In such a Conscious Party
