Release date: 30. September 2002

Album: Happy Fool

IT'S GONNA BE ALLRIGHT

(verse)

Every now and then, I get this feelin' girl, you have a  
doubt within your heart how can I convince you? I'm not  
leavin' you know I loved you from the very start

(bridge)

Every morning when I see, that you're lying next to me  
uuuuuuuhh I'm in love!! you don't have to be afraid, let  
me tell it to you straight I'm here for you

(chorus)

It's gonna be alright, its gonna be A - OK I'm gonna  
stay by your side, girl you make my day it's gonna be  
alright, dont worry 'bout me I'm gonna stay by your  
side, I'm as happy as can be it's gonna be alright, girl  
you make day

(verse)

Hopefully one day you will believe me you're the only  
one on my mind everytime we kiss you make me dizzy  
girl, you are my favourite waste off time

(bridge)

(chorus)

Girl, I'll never let you be, lonely without me I'm gonna  
stay forever you are my destiny, the only one for me  
can't you see

(chorus.....outro)
