Yay!

Lee and Molly

White guy in love with black beauty

Lee and Molly

White guy in love with black beauty

Mama don't want that

Though she know they might be free

Daddy got drunk one day

He beat the hell out of poor old Lee

Lee and Molly

White guy in love with black beauty

Lee and Molly

White guy in love with black beauty

Why should they hide to share strong moments? (Yes)

These days men have no bound'ries

So whether you care or whether you won't - tell you
what

They have something a lot don't

They're not just good friends

Lee and Molly

A white guy in love with black beauty

Lee and Molly

A hite guy in love with black beauty

But life is not like that

What are dreams if they can't be

Love can't hurt you

There's more to know than you can see

Lee and Molly

White guy in love with black beauty

Lee and Molly

White guy in love with black beauty

The vibes so strong they had to go along (all the way)

She gave the sign so he crossed the line

Now they know they can't bargain with tribulation

But there's still things in life you just can't resist now
Can't resist now: this is it! Yeah

Lee and Molly
White guy in love with black beauty
Lee and Molly
White guy in love with black beauty, black beauty

Let them grow, grow & grow
Yes just remember this
Let the whole wide world know
They're not just, not just good friends naanhg!
