Love is the only law to obey  
Don't business what they say  
Love is the only law to obey  
Don't business what they say

We only live to learn to love  
And no lesson is greater  
Make it your gain, suffer no shame

Love is the only law to obey  
Don't business what they say  
Love is the only law to obey  
Don't business what they say

We'll only live if we learn to love  
And no, no, no, no treasure is greater  
What it your aim, suffer no pain

Love is the only law to obey  
I know you care what they say  
Love is the only law to obey  
I know you care what they say

If it in your mind to commit the sin  
I hope you know, no destruction is greater  
What is your aim, you better explain

(solo)

Love is the only law to obey  
Oh yea, don't care what they say  
Love is the only law to obey  
Don't care what they say

Kid you only live if you learn to love  
And no lesson is greater  
Make it your gain, suffer no shame

Love is the only law to obey  
Love is the only law to obey  
Love is the only law to obey

I don't give a ---- what they say

I obey, you obey, she obey, he obey  
We obey, you obey, I obey, you obey  
She obey, we obey, you obey, we obey  
Everyone, everyone, everyone

Love is the only law to obey  
The law of life, the law of life  
The law of life
