Somewhere over the rainbow  
Way up high  
And the dreams that you dream of  
once in the love  
will bye oh

Somewhere over the rainbow  
Bluebirds fly  
And the dreams that you dream of  
dreams really do come true.

Someday I'll wish upon a star  
with a bed of flowers are far behind.  
Where troubles melt like lemon drops  
High above the chimney top  
That's were  
You'll find me.

Somewhere over the rainbow  
Bluebirds fly  
And the dreams that you did too  
oh why, oh why  
Can?t I.

Well I see trees of green men, with roses too  
I watch them bloom for me and you  
And I think to myself  
What a wonderful world

Well I see skies of blue  
And I see clouds of white  
And the brightness of day  
I like the dark  
And I think to myself  
What a wonderful world

The colors of the rainbow  
So pretty in the sky  
I also want the fee sing  
Of people passing bye  
I see friends shaking hands singing

How do you do  
They really sing  
I I love you  
I hear babies crying  
And I watch them grow  
They learn much more  
Than we all know  
And I think to myself  
What a wonderful world

Someday I'll wish upon a star  
with a bed of flowers are far behind  
Where troubles melt like lemon drops  
High above the chimney tops  
That's where  
You'll find me.

Somewhere over the rainbow  
Way up high  
And the dreams that you did too  
Why, oh why  
Can't I ?
