I been watching from the shadows for long
My blood is wired but I'm waiting my turn
I got a feeling it's coming on real strong
I know I'm ready for this fire to burn

It's the last round
Taking my clown
So here's the countdown
It's time to start the show

Yeah When the lights are shining
Yeah I'm the one headlining
I'm almost there
And I wouldn't stop trying Woh
Oh And tonight's the night I'm gonna take it all

I'm gonna hunt you like a freak in a bad dream
I'm gonna batter every bone if I must
I'm gonna round you until you holler your last scream
I'm gonna drag you through the dirt and the dust

It's the last round
Taking my clown
So here's the countdown
It's time to start the show

Yeah When the lights are shining
Yeah I'm the one headlining
I'm almost there
And I wouldn't stop fighting
Oh And tonight's the night I'm gonna take it all

Yeah When the lights are shining
Yeah I'm the one headlining
I'm finally here
But I won't stop climbing Woh
Oh and tonight's the night I'm gonna take it all

Yeah When the lights are shining
Yeah I'm the one headlining
You know I'm finally here
But I won't stop climbing Woh

Oh and tonight's the night I'm gonna take it all
