There's a place in a piney hollow
That no one but me can find
Some Choctaw built it in the hillside
Stone by stone in a simpler time
It's a holy place, my daddy showed me
Back before this land of mine
On the blue side of the mountain
Where the sun don't ever shine
So deep and dark like a hurtin' down in my heart
Maybe somethin' there will show me some kind of sign
On the blue side of the mountain
Where the sun don't ever shine
I'm going back to a world of shadow
Gotta find some peace, for I lose my mind
On the blue side of the mountain
Where the sun don't ever shine
So deep and dark like a hurtin' down in my heart
Maybe somethin' there will show me some kind of sign
On the blue side of the mountain
Where the sun don't ever shine
Where the sun don't ever shine
