CHORUS:

If you can't be good be gone
Don't take my love where it don't belong
You got no right to do me wrong
If you can't be good be gone

You say one thing and mean another
Now it's all comin' back on you
I trusted your lies for the last time
What makes you do the things you do

CHORUS

If you don't wanna love me darlin'
I don't know what you want me for
Take the ring off of your finger
It don't mean nothin' anymore

CHORUS

If you can't be good be gone
