I need I need I need you baby...

I don't know why i love you
I'm in need yes baby you've got me addicted
And when I try to let you go it makes me hurt
cuz it " feels like I'm letting go myself

You make me so hungry I just wanna get away from
you
But when I'm gone for a while I start to miss you like
crazy " yeah!
I try and I try but we just can't seem to work it out
But it's so hard for me to go .. Jah Jah know!
I don't know why i love you
Like my weed yes baby you've got me addicted
And when I try to let you go it makes me hurt
'Cuz it " feels like I'm letting go myself

You hurt me so much but I love you so much
So I just can't let you go
It's like I'm in shackles and chains but I wanna be free!
