Wana sema cheki cheki yule dame
They say the way I shake it
They never seen the same
So ebu sogu sogu and watch me roga roga
Vile ngoma iko noma nita kuja kuku panga

Come take a lookie lookie
Come take a lookie here
Kuja uangalie angalia hapa
Come take a lookie lookie
Come take a lookie here
Cause what you see, what you see is what you just
might get
Cause what you see, what you see is what you just
might get

Come here and shake your body
Come here let me take a peak
I feel kind of naughty
I let you be my freak
Now let's get down
Yeah baby teremsha
Vile ngoma iko noma itawasha moto

Come take a lookie lookie
Come take a lookie here
Kuja muangalie angalia hapa
Come take a lookie lookie
Come take a lookie here
Cause what you see, what you see is what you just
might get
Yeah
What you just might get
Cause what you see, what you see is what you just
might get

You like the hills I got on
You say they turn you out
Pour me a shot of Patron it make me twist and shout
I got it I set it off
I got it I set it off

I got it I set it off
Nitaonyesha how I roll

Come take a lookie lookie
Come take a lookie here
Kuja muangalie angalia hapa
Come take a lookie lookie
Come take a lookie here
Cause what you see, what you see is what you just
might get

Cause what you see, what you see is what you just
might get
Cause what you see, what you see is what you just
might get
