(Verse 1)

Pamper Yourself Its Leaking Through  
Beautiful Paint On Top Of You  
Whats Wrong With Being Who You Are  
Why Are They So Impressed  
It Won't Take Much To Infect  
You Stained Yourself And I Can See  
Your Fake A\*\* Face Right Next To Me  
Whats Wrong With Being Who You Are

(Chorus)

Can I Sit You Down With Me  
To Help You, And What You Need To Be  
You Are So Fake Today  
Tommorrow You Can Change

(Verse 2)

Look What This S\*\*\* Has Done To You  
Nobody Wants To Look At You  
But You Can Still Fix Who You Are  
For Now Your Just Another Insect  
Only Until The Real You Takes Effect  
You Stained Yourself And I Can See  
Your Fake A\*\* Face Right Next To Me  
Whats Wrong With Being Who You Are

(Chorus)

Can I Sit You Down With Me  
To Help You, And What You Need To Be  
You Are So Fake Today  
Tommorrow You Can Change

(Bridge)

Be Yourself, Don't Fail, Don't Need To Be Something  
Else  
Don't Change, For The Rest, This Is Your Final Test  
Be, Yourself, You Don't Need To Be, Anyone Else  
Your Colors Don't Shine, Your Colors Don't Shine Today

(Chorus)

Can I Sit You Down With Me  
To Help You, And What You Need To Be  
You Are So Fake Today  
Tomorrow You Can Change

(Outro)

Be Yourself, Don't Fail, Don't Need To Be Something  
Else  
Be Yourself, Don't Fail, Don't Need To Be Something  
Else
