(Verse 1)

I Feel Stronger Today, I Learned To Love And Not To
Hate
There's Nothing Wrong With Goodbye, This Is My Final
Cry

(Chorus)

As My Heart Swells, From The Love Inside Of You
But Oh Well, My Bodys Tired Of You
I Don't Mind Letting Go Of The Pain X2

(Verse 2)

So Its All Under Way, Through It All I Have Paid
As The Sun Starts To Shade, Its Gives Me Room To
Fade

(Chorus)

As My Heart Swells, From The Love Inside Of You
But Oh Well, My Bodys Tired Of You
I Don't Mind Letting Go Of The Pain X2

(Verse 3)

I Can Smile For A Change, Feel Better To Watch The
Rain Fall
Just Enough To Keep My High, In Between Every Sigh

(Chorus)

As My Heart Swells, From The Love Inside Of You
But Oh Well, My Bodys Tired Of You
I Don't Mind Letting Go Of The Pain X2
