The Calling lyrics

(Intro)

You push me, you test me, just take it all away  
I always find myself underneath  
YOUR SKIN!

(Verse 1)

I drown myself in tears from the anger and agony  
The picture's clear that you got the best of me  
It kills us all to stand alone  
Closing walls im on my own  
Slept so long...

(Chorus)

But i'll wait for the calling I struggle with you  
Im done with the crawling and i can see through  
Your eyes, and all of your pain's revealing  
Your lies, My wounds at last are healing

(Verse 2)

One last kiss goodbye i finally cut the strings  
Take your time to let all your sorrow bleed  
If you fall you'll fall alone  
Take it all this is your show  
The flame is gone

(Chorus)

But i'll wait for the calling i've struggled with you  
Im done with the crawling and i can see through  
Your eyes, and all of your pain's revealing  
Your lies, My wounds at last are healing

(Bridge)

Your falling, the calling, is not so far away  
You always find yourself underneath  
You push me, you test me, just take it all away  
I always find myself underneath

(Last Chorus)

But i'll wait, for the calling, I've struggled with you  
I'm done with the crawling, and i can see through  
Your eyes and all of your fake  
Your lies, the calling awaits
