Everyone is happy tonight  
But not because of the world no  
And I know there'll be no fight  
In a the conscious party

Everyone is happy tonight  
But not because of the world no  
And I know there'll be no fight  
In a the conscious party

No booze to lick your head  
We can't lose in life way  
Like I said no drugs to eat our head  
Got to stay alight in a this darkness

Everyone is happy tonight  
But not because of the world no  
And I know there'll be no fight  
This is a conscious party

Everyone is happy tonight  
Not because of the world oh no no  
There'll be no fight  
In a the conscious party

The spirit of Jah passing through  
If I can feel Him, so can you  
Makes me feel like I wanna  
Just get up and dance  
Hey, we're jammin' on this love  
And everybody take a chance

Everyone is happy tonight  
But not because of the world no  
And I know there'll be no fight  
This is a conscious party

Yes I'm feeling happy tonight  
But not because of the world oh no no  
There'll be no fight  
We're conscious

So everyone, everyone, everyone

Well I and I see smiles of happiness  
Jahification, dances  
Brother just love your sister  
And sister love your brother

Everyone is happy tonight  
But not because of the world no  
And I know there'll be no fight  
In a the conscious party

Well I'm feeling happy tonight  
But not because of this system  
There'll be no fight  
This is a conscious rhythm

A conscious, this is a conscious  
This is a conscious, this is my conscious  
I say we got to get conscious  
Say we got to get  
I say we got to get conscious  
You know we got to get
