Sierra Leone, Sierra Leone, yeah, Sierra Leone, yeah

Well, I've seen a crime to which I can't be blind  
Living in a diamond city with a broken heart  
Well, I've seen a crime, to which I can't be blind  
Living in a diamond city with a broken heart  
Oh, diamond city, let me take you there, well, well, well

There, everyday there's a need for revolution  
She's like a mother who denies her newborn milk,  
sweet milk  
Lost are the thrills of life as we know them  
They one man swim, yet many more are drowning

Well, I've seen a crime to which I can't be blind  
Living in a diamond city with a broken heart  
Yes, I've seen a crime to which I can't be blind  
Living in a diamond city with a broken heart  
In a diamond city let me take you there, well, well, well

Surely we can help each other in this earth  
Ain't no need to be greedy or too proud, no need  
Because the color of our skin, yeah  
They gave us no chance to win

Well, I've seen a crime to which I can't be blind  
Living in a diamond city with a broken heart  
I've seen a crime to which I can't be blind, can't be blind  
Living in a diamond city with a broken heart  
Oh, diamond city, with a broken heart

We will fight for our rights  
We will fight for Africa  
We will fight for our freedom  
Did you hear, we will fight for Africa? Africa

I've seen a crime to which I can't be blind  
Living in a diamond city with a broken heart  
Yes, I've seen a crime, where are the cops this time  
Living in a diamond city with a broken heart?

Oh, diamond city, with a broken heart

Oh diamond city, well, let me take you there  
Let me take you there, I'll take you there  
Let me take you, let me take you there
