Yeah, let me tell you something right now

Don't care them jealousy, don't care hypocrisy  
Zero visibility ahead of me  
Don't care hypocrisy their lies and jealously  
Zero visibility ahead of me

But I still work hard, step by step together  
Work hard, work hard, step by step  
Yeah, we'll put together

Jah bless and you muma vex  
Jah bless and you pupa vex  
Jah bless popes and preachers vex  
Jah bless

Now stumbling blocks move out the way  
We've got to make it through the day  
And all them works that you see go on  
I and I no mash, no corn

Well, stumbling block move out the way  
We've got to make it through the day  
And all the works that you see go on  
I and I no mash, no corn

So work hard push and pull together  
Work hard, work hard, yeah  
We want some good, work hard  
Tell you this, yeah, one day we will be together

Jah bless and you muma vex  
Jah bless them pupa  
Jah bless the pope and preacher vex

Hey stumbling block move out of the way  
We've got to make it through the day  
And all the works that you see go on  
Well, I and I no mash, no corn

Hey stumbling block move out the way  
We're gonna make it through the day

And all the works that you see go on  
Yeah well, natty dread no mash, no corn

We work hard, work hard  
Work hard till we belly full  
Step by step we'll pull together

Jah bless and the preacher vex  
Jah bless my school, teacher vex  
Jah bless all them people vex  
Jah bless
