Everyday is just a day
To sing Your praises
Everyday is just a day
To give You glory
So while the faithless fret
When destruction comes

Where they gonna run
Where they gonna run
Where they gonna run
Where they gonna run

Let Jah will be done
Oh, let Jah will be done
Let Jah will be done
Just like the morning sun

Stop your war and stop your cruelty
This Yah judgment a go really dread
And the wicked think them get away

But where they gonna run
Where they gonna run
Where they gonna run
Where they gonna run

Let Jah will be done
Oh, let Jah will be done
Just let Jah will be done
Just like the morning sun

I rise in the morning
And I'm thinking of love
For all Jah children, He created us
And all who don't hear the crying of the poor

Where them gonna run
Where them gonna run
Where them gonna run
Where them gonna run

Let Jah will be done

Let Jah will be done
Yes, let Jah will be done
Just like the morning sun

Everyday is just a day
To sing Your praises
Everyday is just a day
To give You glory
So while those faithless fret
When destruction come

Where they gonna run
Where they gonna run
Where they gonna run
Where they gonna run

I say, let Jah will be done
Let Jah will be done
Yeah, Let Jah will be done
Just like morning sun

Let Jah will be done
Let Jah will be done
Let Jah will be done
Just like the morning sun
Just like the evening sun

Just like the morning sun
Just like the evening sun
