The cry has reached the [Incomprehensible]

Justice, people say, justice  
Justice, brother say, justice

Judge me if I am weak  
Judge me if I am strong  
Judge my days and all life long  
They let the baby cry  
Let the mama cry  
And youths like I and I have to cry

For justice  
One, one, one word prayer  
Justice, oh yeah, justice, justice

Is like a good friend  
Who long time we don't see  
Why are they taking liberty  
Oh, is like a good friend  
Who long time we don't see  
Why are they taking liberty, with I and I and I

Justice, yeah, yeah, yeah  
Justice, now not later, justice  
Justice, people pray

For I and I, justice, justice  
Justice, where are you  
Justice, look what they do

They make the innocent cry  
The innocent cry  
Look what they do to Garvey  
They make the innocent die  
They make the innocent die  
How them lie on Steve Biko

Justice, justice, the one word prayer  
Justice, oh yeah, justice  
The poor man cry, why do they do the wrong  
Justice, they make me sing this song

Justice, oh yeah, whoa, yeah  
Justice, justice, desert me not  
Justice, they are on my back  
Justice, the more the tears
