It's kozmik, it's kozmik

I know there are many forces that would not like to see  
Our dreams become reality  
There's a war going on, a war you cannot see  
Right versus wrong, it's a war that is so real

I wake up in the morning and the sun I didn't see  
But I feel the vibes, forces around me  
Can you feel it? It's kozmik, I can feel it, hey, can you  
feel it?  
It's kozmik man, kozmik, kozmik, kozmik live in me

It's kozmik

People having problems, from where it came?  
Innocent fallen victim, although they can't explain  
Intellect takes advantage of the simple man  
Intellect takes advantage of the simple man

Many people having problems, from where it came?  
Innocent fallen victims to thought they can't explain  
Intellect takes advantage of the simple man  
Intellect takes advantage of the, hey

Can you feel it? What a? Oh, I can feel it now  
Hey, can you dance? Can you dance? Can you dance?  
Can you dance? Dance, dance, it live in me, yea

It's kozmik, kozmik

Eagle the star a pyramid, all seeing eye on a dollar bill  
What does it mean? Where did it come from?  
Why is it there? Hey, I repeat myself

Eagle the star a pyramid, what is the all-seeing eye  
Doing on a dollar bill, ooh?  
What's going on? What's going on? What's going on?  
What's going on? Well I tell you what, I can feel it

Can you feel it? It's a kozmik thing  
I can feel it, hey yea, can you feel it?

Lawd, Lawd, Lawd  
Lawd, Lawd, Lawd live in me

It's kozmik, it's kozmik  
It's kozmik, it's kozmik

I know they're many forces  
That would not like to see our dreams become reality  
There's a war going on, a war you cannot see  
Right versus wrong, it's a war, it is so real

I wake up in the morning, the sun I didn't see  
But I feel the vibes, forces around me  
Can you feel it? Hey, hey, hey  
I can feel it, oh, oh, can you feel it?

It's kozmik, it's kozmik  
It's kozmik, live in me

It's kozmik

The people having problems, from where it came?  
Innocent fallen victims to a thought they can't explain  
Intellect takes advantage of the simple man  
Intellect takes advantage of the simple man

Christian read your Bible, Muslim read your Koran  
Pray to Jah and no other man, yea whoe whoe yea  
What I say can you, can you, can you feel it?  
Can you feel it? It's kozmik, well, I can feel it

Cold bumps on my skin, ooh, I can feel it  
Can you feel it? Feel it, live in me  
It live in me

It live in me, it live in me  
It live in me, it live in me  
It live in me, it live in me  
It live in me, it live in me

It's kozmik, it's kozmik, it's kozmik

It's kozmik, it's kozmik, it's kozmik  
It's kozmik, live in me
