Love is the only law to obey
Don't business what they say
Love is the only law to obey
Don't business what they say

We only live to learn to love
And no lesson is greater
Make it your gain, suffer no shame

Love is the only law to obey
Don't business what they say
Love is the only law to obey
Don't business what they say

We'll only live if we learn to love
And no no no no no no no treasure is greater
Make it your aim, suffer no pain

Love is the only law to obey
I know you care what they say
Love is the only law to obey
And don't care what they say

If it's in your mind to commit the sin
I hope you know, no destruction is greater
What is your aim? You better explain

Love is the only law to obey
Oh yeah, don't care what they say
Love is the only law to obey
Don't care what they say

Kid you only live if you learn to love
And you know no lesson is greater
Make it your gain, suffer no shame

Love is the only law to obey
Love is the only law to obey
Love is the only law to obey
Don't give a, what they say

I obey, you obey, she obey, he obey

We obey, you obey, obey
I obey, you obey, she obey, he obey
You obey, we obey

Everyone, everyone, everyone
Law of life
Love is the only law to obey
The law of life
