I've been searching and you know now that I see  
Dreams are beautiful, my reality  
I looked at you and found the love inside of me, love

Set me as a seal on your heart  
Love is stronger than death  
Jealousy is cruel as the grave  
Love, many waters cannot quench

Many waters cannot quench  
Love, many waters cannot quench  
I've been searching, now I see  
I've got some love inside of me  
Love, many waters cannot quench

Dreams of you fill my reality  
Beautiful you are my love  
Your eyes are doves behind the veil  
Fair as the moon, strong as the sun, yeah

Many waters cannot quench  
Love, many waters cannot quench  
I've been searching, now I see  
So much love inside of you  
Love, many waters cannot quench

I've been searching, now I see  
(So much love inside of you)

Set me as a seal on your heart  
Love is stronger than death  
Jealousy is cruel as the grave  
Love, many waters cannot quench

Won't retreat, won't surrender  
I want you to remember  
I won't retreat, won't surrender  
I want you to remember

Won't retreat, won't surrender  
Well, I want you to remember  
(You know I will remember)

Won't retreat, won't surrender  
Now I want you to remember  
(You know I will remember)

Many waters cannot quench  
Love, many waters cannot quench  
I've stopped searching, now I see  
So much love inside of me  
Love, many waters cannot quench

I've stopped searching, now I see  
So much love inside of you  
Love, many waters cannot quench
