Performed by Foo Fighters)

Too alarming now to talk about

Take your pictures down and shake it out

Truth or consequence, say it aloud

Use that evidence, race it around

There goes my hero

Watch him as he goes

There goes my hero

He's ordinary

Don't the best of them bleed it out

While the rest of them peter out

Truth or consequence, say it aloud

Use that evidence, race it around

There goes my hero

Watch him as he goes

There goes my hero

He's ordinary

Kudos my hero leaving all the best

You know my hero, the one that's on

There goes my hero

Watch him as he goes

There goes my hero

He's ordinary
