### "Run"

Performed by Collective Soul)

Are there times contagious

I've never been this bored before

Is this the prize I've waited for

Now as the hour passing

There's nothing left here to insure

I long to find a messenger

Have I got a long way to run( 2 x)

Yeah...I run

Is this a cure among us

From this price of sanity

I weaken with each voice that sings

In this world of purchase

I'm going to buy back memories

To awaken some old qualities

Have I got a long way to run(3x)

Yeah...I run
