Hey, this is God

Can I please have your attention

There's a need for intervention

Man, I'm disappointed in what I'm seeing

Yeah, this is God You fight each other in my name

Treat life like it's a foolish game

I'd say you've got the wrong idea

Oh, all I'm asking for is love

Well I've seen you hurt yourselves enough

Oh, I've been waiting on a change in you

Yeah, this is God

I've given everything to you

But look at what you do

to the world that I created

This is God

What's with this attitude and hate

You grow more ignorant with age

You had it made, now look at all you've wasted

Oh, all I'm asking for is love

Oh, I've seen you hurt yourselves enough

Oh, I've been waiting on a change in you, yeah

I know your every thought, your heart and soul and  
every move

There are so many consequences to the things you do

All I'm asking for is love

Haven't you hurt yourselves enough

Oh, I've been waiting on a change in you

A change in you,

Oh, This is God
