(Intro) Holy vanilla blunts it's Vast-Man The Jokers
kidnapped Hip-Hop What's you gon' do? (Hook) Vast
Aire Nigga please, you is sucka emcee I'm VAST-
MAAAAN Me and my crew is running the streets fo'real
VAST-MAAAAN Hip-Hop is Dead it looks like a job for...
VAST-MAAAAN LXG is the family and I'm... VAST-
MAAAAN [Geechi Suede] Remember in Nikes to the
Batmobiles We burning with the gamma ray lasers,
electric eels Caped Crusaders falling from off glaciers
Landing under water then shooting micro-lasers All we
do is make the facility melt Number one villian that's
felt Pull up the utility belt It went - *boom-blam-zoom-
zap* Crash the canvas with the cobras hissing at the
bottom of my straps Leap buildings, fly flying saucers
Dissolving inside the forrest when the radar lost us
Torpedo glare thru the Vast Aire With the cashmere,
cat burglar blast from last year Super hero DeNiro,
Beretta Bronson Keep Wonder Woman on her knees
getting Johnson Vaporize them costume kit and
disguise I'ma have to detach 'em from life with the
shake equalizer (Hook) Vast Aire [Vast Aire] Life's a
card game of the illest poker And I ain't gonna fold
until I get the Joker A Dark Knight like Bram Stoker And
when I see the Catwoman, I'ma stroke her And tell
Super Boy he's a super toy I'm Theodore Wayne - the
real McCoy It's a bird, it's a plane! No it's Lois Lane
giving me brains She game to Gotham to write a story I
told her 'Put the pen down, show me the panties' Peter
Parker can't do shit to me I'm Vast Man with a capital V
But to my avail there was Vicki Vale Tryna seduce me
Doing the Vast twosie I told her to slow down She
wanted to sleep like a bat - upside down Well, I can
arrange that And that's when the Riddler started to
clown He was like 'It's my time' But the crowd didn't
know I co-wrote his rhymes The Green Hornet is always
smoking me out But I keep my space cuz he's a Two-
Face I'm smacking the Penguin when he gets greedy
Just flash LXG when you need me (Hook) Vast Aire
(Outro) Will the Dynamic Duo triumph over the Jokers
evil Will Cat Woman finally give Vast-Man the panties?
Stay tuned, same Vast time, same Vast channel
