Copenhagen 9th of june  
No light to guide but for the moon  
Of all the wrongs that will be done  
The worst is their oblivion  
Sunday in christiana  
No need to ever leave our quaint  
Community  
Of mediocrity for sure  
Man he asked me for some change  
This is the last thing I need today  
Girl next door falls down the stairs  
We don't get involved, we just say our  
Prayers

Sunday in christiana  
No need to ever leave our quaint  
Community  
Of mediocrity for sure  
Its one thing that i know we've held at bay  
The vessels that god uses, it's a shame  
To keep it all inside & hope they make it
