Aw mommy, it's so nice out today  
Mommy, wh...why's the sky getting so dark?  
And these bees...the bees!  
By the light of disciples I beckon thee  
By the light of disciples I summon thee

Led into normality  
Bred into monotony  
Follow, regret  
Follow, regret  
Follow, regret  
Follow  
Brainless, ignorant  
Incompetence  
Follow, regret  
Follow, regret  
Follow, regret  
Follow

Why draw away from the herd?  
Do what you're sold  
Served up pabulum on the sly  
Greet us child  
This is the way
