I am absolute corruption. Absolute corruption.
I am the power that sways. I am the beast that's in
human nature
I am the masonry of greed.

Tease me. Please me. Don't believe me
I will suck and fuck the very heart of you... In tattoo
Need me. Bleed me. Don't believe me
I will separate every fucking part of you into two

Wanna be a mesquite
Wanna be a mesquite
Wanna be a mesquite

I am absolute corruption. Absolute corruption.
I am absolute corruption. Absolute corruption.

Kiss me. Diss me.
Did you miss me?
Did you hang my picture on your bathroom door? My
favorite whore
Eat me. Beat me.
You complete me
I will grow know and know to hate you more each day.
In every way

Wanna be a mesquite
Wanna be a mesquite
Wanna be a mesquite

Mercenaries and prostitutes we are
Extortionists and capitalists we are
FUCK ME.
