I've thought about it for a while  
The many questions for the asking  
She asked if God was just a slob (like us)  
Maybe something there is lacking . . .  
My God's not in the sky  
He's here with you and I  
Just ask me if I die  
My God's not in the sky  
Let me tell you all my thoughts (on God)  
Cause I just met with Him this  
Morning  
He gives me peace so I can wear (a smile)  
While others drown in melancholy bitter  
Sadness all this madness  
My God's not in the sky  
He's here with you and I  
Just ask me if I die  
My God's not in the sky  
I know you see the need to know (for sure)  
You want to find Him - He will find you . .  
My God's not in the sky  
He's here with you and I  
Just ask me if I die  
My God's not in the sky
