Coiled... prepared to strike!!!!

Anaconda!!

Ride the snake... no escape
Return of the viper...
Constrictor awake!!
Anaconda!!
Anaconda!!
Brain dead, descending to flame
No way to survive, or have life regained
Re-anaconda will bring back the dead
Revive the snake... resurrect

Anaconda!!
The serpent of dead
Swallows its' tail to come 'round again..
Anaconda!!
Anaconda!!

Pierce the needle through the
Back of my head
Chemicals flow, i'm revived from the dead

Re-anaconda... the serpent!
