Find it hard to keep it in today, though some might say  
that I'm crazy,  
Lunatic, look out; he's coming our way.

All around, the people stare,  
But I don't care, no, I don't care.

If you knew just what I've got, you'd like it a lot,  
See what I've got,  
If you knew just what I've got, you'd give it a thought,  
See what I've got.

Compromise is like the newest craze when apathy  
leads to condoning,  
Maybe we're just going through a phase.

All around, the issues change,  
So, am I deranged to feel the need to pray?

If you knew just what I've got, you'd like it a lot,

See what I've got,  
If you knew just what I've got, you'd give it a thought,  
See what I've got,  
If you knew just what I've got, you'd like it a lot,  
See what I've got.

If you knew just what I've got, you'd like it a lot,  
See what I've got,  
If you knew just what I've got, you'd give it a thought,  
See what I've got,  
If you knew just what I've got, you'd like it a lot,  
See what I've got,  
If you knew just what I've got, you'd give it a thought,  
See what I've got.

Na, na, na, na...
