I never knew love like this before
Now I'm lonely never more
Since you came into my life

You are my lovelight, this I know
And I'll never let you go
You my all, you're part of me

Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your name

'Cause I never knew love like this before
Opened my eyes
'Cause I never knew love like this before
What a surprise
'Cause I never knew love like this before

This feeling's so deep inside of me
Such a tender fantasy
You're the one I'm living for

You are my sunlight and my rain
And time could never change
What we share forever more, ooh...ooh...

I never knew love like this before
Now I'm lonely never more
Since you came into my life

'Cause I never knew love like this before
Opened my eyes
'Cause I never knew love like this before
What a surprise

'Cause I never knew love like this before
Inside of me
I never (Never) knew love like this before
Opened my eyes

Never (Never), never (Never), never knew love like this

(I never knew, I never knew I never) Never (Never),
never (Never)
Never knew love like this (I never knew, I never knew I
never knew)
Never (Never), never (Never), never knew love like this
(I never knew) Never (Never knew), never (Never)
Never knew love like this (I never knew)
