It's a beautiful day
Even though it's dark out there
You've got sun on your face
You take it with you everywhere

And it warms your heart that's beating
It comes from believing
And it's a beautiful, a beautiful feeling

It's like walking in sunlight
When the whole world's covered in rain clouds
You're walking in sunlight
Finding the truth and living it out loud
Yeah, when you know what's right
It's like walking in sunlight, sunlight

Oh, it's amazing to me
How someone else can find
The light that they need
Radiating in your eyes

Then it warms their heart that's beating
And suddenly you're leading them
To that beautiful, beautiful feeling

It's like walking in sunlight
When the whole world's covered in rain clouds
You're walking in sunlight
Finding the truth and living it out loud
Yeah, when you know what's right
It's like walking in sunlight, sunlight

Oh, it's easy to forget how blessed we are
But life's better when we remember
When we remember

It's like walking in sunlight
When the whole world's covered in rain clouds
You're walking in sunlight
Finding the truth and living it out loud
Yeah, when you know what's right

It's like walking in sunlight, sunlight
Sunlight, sunlight
Sunlight, sunlight
