I know your hand hurts from.. that fiesta,
Looks you need to take a little siesta, oh honey
Before it does up nay something, I need to say!

Chorus:

I'm not a piñata,
I'm not hanging around ,
Adios, ciao, goodbye,
Sayonara, ay, ay, ay, ay!
I'm not a piñata!

No I know honey, things will gonna change,
Babe, it's not your fault, you poor thing!
And if I gave you... you could explain,
Well, it's a little too late for all of ,
, whenever I see your lips move, bla, bla, bla!

Chorus:

I'm not a piñata,
I'm not hanging around ,
Adios, ciao, goodbye,
Sayonara, ay, ay, ay, ay!
I'm not a piñata!
Take it away, folks!

It seems like ever since we've been together
Making me feel bad, makes you feel better,
Well, honey it's over, and I know it's a drag,
But I'm not , emotional, punching back!

Chorus:

I'm not a piñata,
I'm not hanging around ,
Adios, ciao, goodbye,
Sayonara, ay, ay, ay, ay!
I'm not a piñata!
Take it away, folks!
