I stand in a wide flat land  
No shadow or shade of a doubt  
Where the megaphone man  
Met the girl with her hand that's  
Covering most of her mouth

Fall in love with a bright idea  
And the way a world is revealed to you  
Fat man and dancing girl  
And most of the show is concealed from view

Monkey in the middle  
Keeps singing that tune  
I don't want to hear it  
Get rid of it soon

MC on the stage tonight  
Is a man named Billy Purl  
He's The International Fun Boy  
And he knows the worth of beautiful girl

Stand on the tightrope  
Never dreamed I would fall

Monkey in the middle  
Keeps doing that trick  
It's making me nervous  
Get rid of it quick

I stand in a wide flat land  
No shadow or shade of a doubt  
Where the megaphone man  
Met the girl with her hand  
That's covering most of her mouth

Does she tell the truth?  
Does she hide the lie?  
Does she say it so no one can know?  
Fat man and the dancing girl  
And it's all part of the show

Stand on the tightrope  
Never dreamed I could fall

Monkey in the middle  
Keeps singing that tune  
I don't want to hear it  
Get rid of it soon

Monkey in the middle  
Keeps doing that trick  
It's making me nervous  
Get rid of it quick
