You are the reason

For blue in the sky

Yes, you are the reason why

Snow cover winter

And melts into spring

And rivers meet the sea

God is here for you

And you were made for him

He'll give you more of everything

Coz he has always loved you

His promises are true

So true if you

Chorus:

Come as you are

Don't change a thing

Open your heart

He'll walk right in

Come as you are

No alibis

His love for you

Will never die

There is a heaven  
Open your eyes  
There you have no disguise  
He'll never leave you  
No need to hide  
He's always by your side  
If you just believe  
There is a way you'll see  
It's just one step to eternity  
And he will always love you  
This promise will be true  
So true if you  
Chorus:  
So, come...  
Repeat Chorus
