Anonymous Esophagus  
You love to scream and shout  
Now suck it in the mouth  
Could come from anyone  
You don't know where that cum comes from

Anonymous Esophagus

Now hush, no time to talk  
Just get down there and suck on my cock  
No I don't want to know your name  
Just as long as I came

Well my dick just wrote this song  
Now swallow-balls and all!

Anonymous (Mouth) Esophagus

Open mouths across the nation  
Accepting of my donation

It's all about my dong  
My dick should sing this song!

Anonymous Esophagus
