Feel it..feel it don't ya?

Like a whore to the mack..feel it

Grab your ankles, frit your teeth...

Feel it don't ya?

On your knees, browning nose for

Platinum shine

These songs, once they were yours

Now they are mine

Taste some a and r cock..feel it

You got the deal, been 'round the block..

Feel it don't ya?

Trust in him, he'll make you rich..feel it

He'll turn you out' cause you're his bitch..

Feel it don't ya?
