You took the sun and you waited,
I saw you when I saw the ray spark from your eyes -
then it faded,
And now there's only shades of gray,
And I can't tell the night from day.

I fell in love, I fell in love,
I fell in love with the bad man,
I fell in love, I fell in love,
I fell for the man who stole the sun.
Na na na na na na na (the sun), na na na na na na na
na na (the sun),
na na na na na na na (the sun),
I fell for the man who stole the sun.

You took the sun and you waited,
Now that depends upon your rise eye,
Now it won't let it hated,
True love has got no compromise,
And I can tell the truth from lies.

I fell in love, I fell in love,
I fell in love with the bad girl,
I fell in love, I fell in love,
I fell for the girl who stole the sun.
Na na na na na na na, the sun, na na na na na na na na
na, the sun
na na na na na na na, the sun,
I fell for the man who stole the sun.

Bring the light now,
Open my eye's eye,
All upon these spirits something different,
Easy power, every power,
And I ain't only fell in love,
I ain't only fell in - I ain't only fell in love.

I fell in love, I fell in love,
I fell in love with the bad man!
I fell in love, I fell in love,
I fell for the girl who stole the sun.

Na na na na na na, the sun, na na na na na na na,
the sun,
Na na na na na na, the sun!
I fell for the man who stole the sun!
