I want more
More than ever before
Never again just more
Even if it makes me any more sore
I don't mind I want more
Don't need sympathy if I'm poor
I just want more and more and more

Like I never did drink soap?
I always did
And I can't stop

I want more
More than ever before
Never again just more
Even if it makes me any more sore
I don't mind I want more
Don't need sympathy if I'm poor
I just want more and more and more

More and more and more
I want more!
