2 plus 2 is 4
Just like that
There's nothing wrong
18 plus 19 is 37
Just like that
There's nothing wrong
Just like that
Just like that

Everything's just perfect (perfect)
I don't need a piece of misery
Oh yeah everything's just perfect (perfect)
Just like 2 plus 2 is 4
And 1 plus 1 is 4
And red and yellow makes orange
And you and me make sadness

There's nothing wrong
It's just perfect (perfect)
Nothing to complain
It's perfect (perfect)
Never so wrong
Just perfect (perfect)
Nothing to say
Cause' there's nothing so wrong
Just like checkbox is me
And soap and water
With wonder and dreams
Every single thing is perfect

Just like when I saw you
And I was so mad at you
And I
And I
Was thinking if I should get out my pen
From my
Pocket Protector!

I just make everything
Perfect (Perfect)
Like never again

Just perfect (perfect)
The bestest ever (perfect perfect)
When I'm
Just perfect (perfect)
You are just a scum against me
I'm just perfect in this situation right now
