"Soap Water"

It was a fine safe day
Nobody thought he will say
My birthday is on May!

He came in the changing room
In the flowers bloom
...And the changing room was full of doom

He drank soap water
In front of all of us
We couldn't help it
We laughed to death

It was a fine safe day
After playing with dry clay
After we usually play

He came in the changing room
In the flowers bloom
And the changing room was full of doom

He drank soap water
In front of all of us
We couldn't help it
We laughed to death

We suffered detention
But we still didn't stop to laugh
It was to deadly
It was to funny
It was to suddenly
