nico:

one two three

if you close the door  
the night could last forever  
leave the sunshine out  
and say hello to never

all the people are dancing  
and theyre having such fun  
i wish it could happen to me

but if you close the door  
id never have to see the day again

if you close the door  
the night could last forever  
leave the wine glass out  
and drink a toast to never

oh someday i know someone will look into my eyes  
and say hellooo  
youre my very special one

but if you close the door  
id never have to see the day again

dark party bars  
shiny cadillac cars  
and the people on subways and trains  
looking gray in the rain  
as they stand disarrayed  
all but people look well in the dark

and if you close the door  
the night could last forever  
leave the sunshine out  
and say hello to never

all the people are dancing  
and theyre having such fun

i wish it could happen to me

cause if you close the door  
id never have to see the day again  
id never have to see the day again

once more  
id never have to see the day again
